To view an audit with your course information in a different major:

1. Follow the steps above until to you get to the Audit Request screen.
2. At this point, click in the field What if Program (Select Below)
3. Next choose the desired Degree Prog:, Catalog Year:, and option (if applicable), click on Submit a New Audit, and proceed as above.

To view an audit with future planned courses, go to the Planned Courses tab near the top:

The Planned courses screen lets you fill in information needed for future courses. Next save desired courses. Be sure to use the ISU format for all courses which is five letters or spaces, followed by a space, with the number of the courses: ie: MATHXX150X, (X=space), ANTHRXX201, etc. Adding courses to this area DOES NOT register you in the course. Once you have saved your *What If* courses, return to the Audits, Request New Audit: (You may View Planned Courses and edit any by clicking into View Planned Courses tab.)

You may now run an audit showing Planned Courses that you have saved:

The screenshot shows the Iowa State University Degree Audit interface. At the top, there is a navigation bar with three tabs: "Audits", "Planned Courses", and "Logout". The "Audits" tab is selected. Below the navigation bar, there is a dropdown menu with four options: "View Audits", "Request New Audit", "Help Reading Audit", and "Help". The "Request New Audit" option is highlighted with a red rectangle. Below the dropdown menu, there is a large grey box with the word "Audits" in bold black text.
