DATE:       June 14, 2017
TO:         Department Chairs
FROM:       Jennifer J. Suchan, Interim University Registrar
RE:         Grade Submission for 1st Summer 2017

DUE DATE:  2:15 p.m., Tuesday, July 11 - All grades must be entered by this time, as the AccessPlus and Blackboard Learn grading systems shut down promptly at 2:15 p.m. No extensions can be granted.

GENERAL INFORMATION
• Late grade submissions can have major implications for graduating seniors and students on academic probation. Please make every effort submit your grades on time. Should you need to submit late grades, approval is required from your Department Chair. If approved, your chair must call Amita Dayal, Records Supervisor, at 294-1843.
• All F grades entered in AccessPlus and BB Learn require a comment indicating the reason for an F grade: F Earned, F Stopped Attending (i.e., this option requires the instructor to provide a Last Date of Attendance, which is the instructor’s best reasonable estimate for the last date of academic activity for the student), or F Never Attended.
• All final grades must be submitted electronically using AccessPlus or BB Learn.
• Courses that are indicated as Satisfactory/Fail only in the 2016-2017 Courses and Programs should have the message "ONLY S-F GRADES ARE ALLOWED" displayed at the top of the page. Contact our office if you find any discrepancies in the S-F only status of courses in your department.
• Final class counts by section and course will be available on e-Reports (RGSTN-Crse Count by Dept/Crse) starting Thursday, July 27. Drops after the first week of classes are included in the count. For cross-listed courses, the enrollment on the class count is the number of students enrolled in your department only.
• Final class lists have been updated for adds/drops through Wednesday, July 26.
• An incomplete may only be assigned when both the instructor and student agree to the incomplete. To assign an incomplete, enter an Incomplete (I) mark on AccessPlus, and complete an Incomplete (I) Contract (available at http://www.registrar.iastate.edu/forms/). The I-Contract must be completed for each student assigned an “I” and must be retained by the instructor.

GRADE SUBMISSION INSTRUCTIONS AND DEADLINES
Instructors may submit final grades on AccessPlus or BB Learn, if offered as a Bb Learn course. Instructors should only use one method. If grades are submitted through AccessPlus, do not submit grades for that same course using BB Learn. If submitted by both methods, only the AccessPlus grades will be posted.

OPTION 1 – Submit grades electronically on AccessPlus
Deadline:  2:15 pm, Tuesday, July 11 – no extensions as system shuts down
AccessPlus grading is on the Faculty/Adviser tab, “Instructor Class List” menu. Instructors must complete three steps in the process – ENTER grades, SAVE each page, SUBMIT grades from the option in the left hand column. “Submit” is different from “Save”. A link to a demo is in the “Notice” section at the bottom of the AccessPlus grading screen.

Views of the graded class lists are available for departments on AccessPlus using the E-reports option (available 2 weeks after grade processing). If your department needs this access or has any other problems or questions about electronic grading, please contact one of the following staff:
