

## IOWA STATE UNIVERSITY LIST OF COURSES IN 2011 CATALOG NOT TAUGHT

This report identifies courses in the 2011 Catalog that have not been taught during previous catalog periods and the Fall and Spring terms of the current catalog period.

The courses that have not been taught are listed by discipline within each college. Courses administered by more than one college are on a separate page following the college sections. Library and Interdepartmental courses are listed at the end of the report. The first three columns of the report identify the course. The fourth column is the total number of courses not taught. The fifth column indicates the number of eligible (defined under Methodology) courses included in the study. The sixth column is the percent of the eligible courses that were not taught. The last two columns indicate whether the listed courses were also not taught during the 2007-2009 and/or 2005-2007 catalog periods. Courses that were offered under a different program in past catalogs are noted in parenthesis in the "Also Not Taught" columns.

### Methodology

The 2011 Catalog was matched against the grade files for Fall 2008, Spring 2009, Summer 2009, and Fall 2009, Spring 2010, Summer 2010, Fall 2010, Spring 2011, Summer 2011, Fall 2011 and the class roster for Spring 2012.

Course numbers with letter suffixes were truncated, and the matches were done on the course number alone. For example, Agronomy (AGRON) 593 had five listings in the catalog: 593A, 593B, 593C, 593D, and 593E. The matches were done for AGRON 593. If a match was found for any of the five listings, the course was treated as being taught. If no match was found, the first listing of the course, 593A, was printed.

Workshops, Seminars, Short Courses and Off-campus courses were included. Cross-listed courses were identified by the administering discipline only. Courses offered for either undergraduate or graduate credit were identified separately at both course levels.

### Courses excluded from the Study

- ❖ Experimental courses  
Course numbers ending in X
- ❖ Research and Independent Study courses  
Course numbers 190, 290, 490, 590, 690, 599, 699
- ❖ Cooperative Education courses  
Course numbers 298, 398, 498, 598
- ❖ Course numbers less than 100
- ❖ Registration program indicators  
Advanced Placement ADVPL  
College Level Examination Program (CLEP)  
Exchange Program (EXPRO)  
General Graduate Studies (GR ST)  
International Education (INTED)  
Learning Team (L TM)  
Regents Exchange Program (REGEX)  
Required Registration (REQ R)

(over)

- ❖ Listings which are not Iowa State University courses  
Clinical Laboratory Science/Medical Technology (CLSMT)  
Cytotechnology (CYTO)
- ❖ Lakeside Laboratory courses (IA LL)

\* \* \* \* \*

The compilation of this report is a cooperative effort between the Office of Institutional Research and the Office of the Registrar. Questions should be directed to Nadine Dobbe in Institutional Research (294-2369), Char Hulsebus in the Office of the Registrar (294-6329), or Diane Rupp in the Office of the Registrar (294-1566).
